

Sadly, 70% of Austin's lost pets never get back home. Please make sure your pets always wear current, visible I.D. tags, and get them microchipped as a safe permanent backup I.D. Lost pets are only held for 3 days, so your pet could quickly be adopted by a new family. Bring your pet to the Austin Animal Center for free\* microchipping and I.D. tags.

Open Daily 11am - 7pm 7201 Levander Loop • Austin, TX 78702
